Kinsman Farm: a Christian Prayer and Retreat Centre Co. Ltd by Guarantee.....

This ministry began in October, 2016, when, as counsellors in Ballina, we sensed a new leading and a new vision for the future.

The essence of the retreat centre is embodied in Jesus' words in Matthew 11: "Come to Me, all you who labour and are heavy-laden, overburdened, and I will cause you to REST..." He will provide quietness, refreshment, recreation, relief and ease for our hearts.

This rest is entered into through the practise of contemplative prayer; inhabiting a space of silence, stillness and simplicity.

This rest will also include worship, various forms of prayer, spiritual direction, acts of hospitality and physical resting. We anticipate a strong prophetic sphere to inhabit the retreat's spiritual culture.
